Also, all employers must report information to the EDD within 20 days of either making payments or entering into a contract for \$600 or more with an independent contractor (including existing independent contractor) in any calendar year. Employers may use Form DE-542, Report of Independent Contractor.

NOTE

To each employee hired and to each employee leaving work in order to provide care for a seriously ill family member or to bond with a new child, employers are required to provide a notice informing workers of their Paid Family Leave (PFL) rights and benefits.

Employers report total subject wages, Unemployment Insurance (UI) and Disability Insurance (DI) taxable wages and contributions, by filing a New **Quarterly Contribution Return and Report of Wages (DE 9)** quarterly instead of annually.

Employers report employee wages and personal income tax withheld quarterly on the **Quarterly Contribution Return and Report of Wages (Continuation) (DE 9C)**.
